Soaring with The Eagles May/June 2010

Isaiah 40:31
 Those who wait on the Lord shall renew their strength. They shall mount up on wings like eagles. They shall run and not be weary, they shall walk and not faint.

I can't believe that another year is coming to a close! This year has gone by so quickly. It seems like only yesterday we were all getting settled into our classrooms. Thank you for all of your support and love for CCLA and our staff. We all count it a blessing to be a part of your families.

The student council has a spectacular activity planned for May 22. The article is in the column below. We are having a car wash/bake sale to raise funds for new tricycles, to off set field trip costs and to send another care box to Kirk Johnson whom we are supporting in Afghanistan.

Kirk is in the Navy and he is a Seabee. He is currently doing reconstruction and building with his unit in Afghanistan. We have adopted Kirk and are praying for him. If anyone in your family is currently serving in Iraq or Afghanistan please give me their name and we will pray

for them and send them a box of care and love. Enrollment starts for the elementary CCLA summer camp program this week. Please be looking for the form in your child's locker or homework packet. Enrollment is limited to 14 so it is first come, first served.

Two graduations are almost upon us. The graduation for the students going from Pre-K to Kindergarten will be held on Tuesday June 8 at 6:30. There will be a reception after in our fellowship hall.

Graduation for our fifth graders will be in conjunction with our elementary spring program. This will be held on Thursday June 10 at 6:30.

There is so much going on so be sure to keep checking your child's locker or cubby for more information.

I HOPE YOU ALL PURCHASED A YEAR BOOK. It is absolutely beautiful and I want to thank Pat deCastro (Austin and Ethan Friberg's grandma) for all of her hard work. It really is a labor of love.

There is still time to purchase but money must be in by **FRI-DAY MAY 14.**

June 4 will be our last hot lunch until school starts in late August. See me if you want your child to be part of our Wendy's kid's meal lunch that day.

The elementary last day picnic will be held at Berry Street park on June 11 from 8:30 until noon. We will have a potluck lunch and a sign up will be going around. It is always a fun time!

Here are some time savers for you:

- Store each sheet set in a pillowcase. Keeps your linen closet neater
- Use frozen veggies in soups, stir fries and omelets—they are healthy and quick
- No time for a morning walk? Park in the last parking space wherever you go that day.

God Bless You All!

Pack a Snack

Running Club & PE
by Chase Eurich

Miss Michele started the Pack-A-Snack program at CCLA. The program is something that helps you eat more fruit, vegetables, meat, dairy and grains. The program started at our school in March. The Pack-A-Snack program wants you to learn to eat healthy. We are eating healthier at CCLA because of this Pack-A-Snack program.

In the CCLA running club we have lots of fun. We get a punch on our card every time we go around the track. Every time we get a number amount of cards we get prizes. The highest prize is if we get our 20th card. We get to go out and eat with Coach Becky.

In PE we love all the sports and we all have teamwork and we all like our coach Michele.

I asked the student council members to write some articles for the newsletter. I hope you enjoy their first endeavor! They had lots of fun.

Kirk Johnson
By Hollyann Miller

Q: What do you do when a friend is mad at you?

A: First, you should pray to God. After that you should go to your friend and talk it out.

Q: What do you do when a friend is mad at you and you don't know why?

A: You should go to your friend and ask them why they are mad. If that does not work go to a teacher and ask them to help you.

Kirk Johnson is a young man fighting in Afghanistan for America. CCLA has decided to adopt Kirk and send him supplies such as baby wipes and hard candies. Please pray for Kirk. He is in much need at this time. We appreciate you children and parents for supporting Kirk

After School Activities
By Raven Vasquez

Do you know that on Mondays and Wednesdays Mrs. Byers has tutoring? On Monday she does math and on Wednesday she does reading. In tutoring we play math bingo.

Everyone reads 10 minutes out loud. Tutoring is over at 4:00. Monday is my favorite day to do tutoring because we sometimes get to play games.

Mrs. Byers also has Homework Club. You have to be quiet, shhhhh!

Did you know that in after school care we do all kinds of activities. On Monday we go outside and do homework. On Tuesdays and Thursdays we stay inside and do homework because we have PE and running club. On Wednesdays we go outside. On Fridays we have cooking club. We also do art.
